Rosemarie,

I thought the [REDACTED] briefing was for next Monday's general? I did not hear Susan ask us to set up a time for a separate meeting/call this week at the OCE general, but maybe I missed it, or maybe it came out of this afternoon's DOJ call?

Rosemarie,

Here are some follow-up items from today's weekly:

1) Michigan Drinking Water Report

- [REDACTED] Keep OECA IO and Senior Advisor Bodine apprised on communication strategy
- [REDACTED] Review report for references to lead service line replacement (LSLR) to avoid implication that EPA is mandating that all lead pipes have to be replaced
- [REDACTED] Follow-up on delta between EPA grants and what the state would need in appropriations to run an effective program

2) Review of state drinking water programs (separate from SRF process)

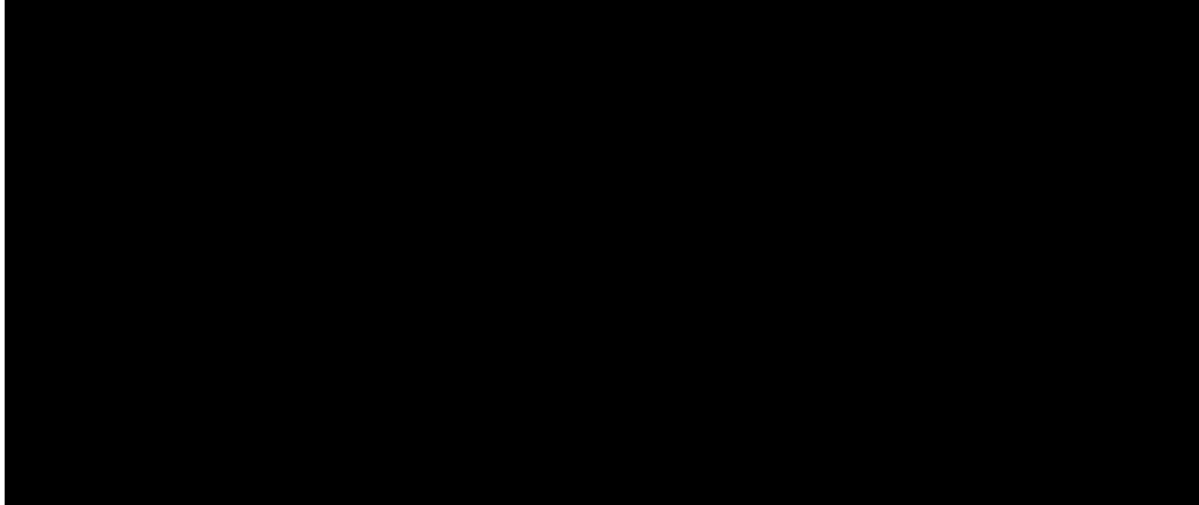

- [REDACTED] Check in with Region 2 (re: Puerto Rico following Hurricanes) and Region 9 (re: California following fires) on status of getting drinking water systems online

3) Pittsburgh Drinking Water

- [REDACTED] Briefing with Administrator to be determined following 5:30 pm call this afternoon

4) Eagle Ford

- [REDACTED] Set up briefing with Patrick for next week (Tuesday)

8) Weekly Enforcement Meetings with Administrator

- [REDACTED] Alert OECA IO and Senior Advisor Bodine of upcoming “big cases”; other enforcement topics to share with the Administrator
